

NEW VOLUNTARY BAR ASSOCIATION FORMING IN MARICOPA COUNTY

- *Is your office along the North 101 corridor?*
- *If you are a litigator, do you appear principally in the Northeast or Northwest Regional Courts?*
- *Do you find it difficult to get introduced to lawyers in your local community?*
- *Are you tired of having to commute downtown to attend bar association meetings and CLEs? Do you lose a half day or more of billable time just commuting to a one hour event?*
- *Would you simply like more business?*

If you answered **YES** to any of the foregoing, then you need to get involved in our efforts to create a new **North Phoenix Bar Association**.

With limited assistance from the State Bar, we are spearheading an effort to create a new voluntary bar association to service the greater North Phoenix area. While open to anyone, the new association is intended principally to serve lawyers based in the North tier, including Glendale, Anthem, Peoria, Surprise, Carefree, Cave Creek, North Phoenix, and North Scottsdale.

Our intention is to incorporate a non-profit association that will hold monthly luncheons and CLEs that will be held in convenient locations along the North 101.

This is an opportunity to meet and network with other lawyers in your immediate community!

For now, we are gathering a master list of all lawyers interested in becoming members of this yet-to-be-formed organization. If you are interested and wish to get on the North Phoenix Bar Association mailing list, all you need to do is email your contact information to [**NPBA@smithcraven.com**](mailto:NPBA@smithcraven.com)
